

LIST OF LOCALLY ACCESSIBLE CULTURAL SPECIFIC CENTRES

Below is a list of culture specific centres available to you. To find out information about accessing these centres please ask your support worker or any member of staff, who will point you in the right direction. We will also provide you with assistance in getting to these organisations and places of worship if this is required.

In addition to this list, there may also be other services available to you, which may assist you in meeting your cultural or religious needs. Again, please ask the Service Manager or a member of the Support Team for further help and information.
